The program will take place on Tuesday, October 29 at 7:00 pm at the Paley Center's New York location.

“We’re honored to host this exclusive sneak previews of Apple’s new series *The Morning Show* and look forward to welcoming the powerhouse team behind the series, including Jennifer Aniston and Reese Witherspoon, to the PaleyLive stage,” said Maureen J. Reidy, the Paley Center’s President & CEO. “I can’t think of a better addition to our PaleyLive fall season than this eagerly awaited new series.”

Starring Jennifer Aniston, Reese Witherspoon, and Steve Carell, *The Morning Show* explores the cutthroat world of morning news and the lives of the people who help America wake up in the morning. Told through the lens of two complicated women working to navigate the minefield of high-octane jobs while facing crises in both their personal and professional lives, *The Morning Show* is an unapologetically candid drama that looks at the power dynamics between women and men, and women and women, in the workplace. In addition to Aniston, Witherspoon, and Carell, the series stars Billy Crudup, Mark Duplass, Gugu Mbatha-Raw, Néstor Carbonell, Karen Pittman, Bel Powley, Desean K. Terry, and Janina Gavankar.

The Paley Center will screen the premiere episode of the series followed by a moderated discussion and audience Q&A with the stars and executive producers **Michael Ellenberg; Kerry Ehrin**, who also serves as showrunner; **Mimi Leder** who directs several episodes of the series including the one being screened; and stars **Jennifer Aniston and Reese Witherspoon**, who also serve as executive producers on the series.
